

Subject: Call for Special Session Proposals - ICODECON 2026 International Scientific Conference

<https://icodecon2026.uop.gr/>

We are excited to announce a special session as part of the ICODECON 2026 International Scientific Conference, scheduled to take place in the picturesque city of Kalamata, Greece, in October 2026. This special session provides a unique opportunity for academics and researchers to present their ongoing international projects, contributing to the diverse array of topics covered at the conference.

Special Session Theme: Unveiling International Projects Across Disciplines

We invite submissions across a broad spectrum of disciplines, including but not limited to economics, management, innovation, education, bioeconomy, agriculture, and related fields. The session aims to highlight the interdisciplinary nature of international projects and their impact on various domains.

Presentation Topics may include, but are not limited to:

1. Cutting-edge research outcomes from Horizon projects in diverse fields
2. Collaborative efforts under the Horizon Europe framework addressing economic challenges
3. Innovations in education and their transnational implications under Erasmus-funded projects
4. Bioeconomy and agriculture projects contributing to sustainable development under Interreg initiatives
5. Insights from PRIMA projects focusing on interdisciplinary approaches

Submission Guidelines:

To propose a presentation for this special session, please submit an abstract detailing your ongoing international project. The abstract should include:

- Project Title
- Project partners
- funding
- Disciplinary Focus (economics, management, innovation, education, bioeconomy, agriculture, etc.)
- Objectives and Scope
- Methodology
- Key Findings (if available)
- Significance and Impact

Important Dates:

- Abstract Submission Deadline: 10th of September 2026
- Notification of Acceptance: 15th of September 2026

Accepted presenters will have the opportunity to share their projects with an international audience of peers, fostering dialogue, collaboration, and networking.

Conference Details:

ICODECON 2026 will take place in Kalamata, Greece, offering a vibrant and inspiring setting for academic exchange. The conference covers a wide range of topics, providing a comprehensive platform for researchers to engage in meaningful discussions and share insights across disciplines.

How to Submit:

Please submit your abstract through by the mail: e.athanasopoulou@uop.gr

We look forward to receiving your innovative proposals and to a successful special session that enhances the interdisciplinary dialogue at ICODECON 2026.

Sincerely,

Prof. Dimitrios Petropoulos

President of I.CO.D.ECON.

University of the Peloponnese, Greece
